Report from Chair (Kevin Rosenberg): Conditional use bed and breakfast issue: Several requests have come to the Neighborhood Association, and it is advisable to include some criteria for bed and breakfasts and be objective about the approval of them. This could be addressed in the neighborhood plan. Kevin is attending a forum on multi-level dwellings later this week.

Treasurer's Report: \$1900 in fund, most is allocated to Demmler Park.

Announcements/Open Forum:

He expresses concern about parking.
