SUMMIT AVE: Installed 15 poles (30 fixtures)
New lights are 4000K (white) color.
4000K lights will be removed & replaced in future with
2700K lights. (warm white)
Each fixture is \$3000. Total cost to replace is ~\$100,000+

15 poles (15 fixtures), High Pressure Sodium.
Will replace in future with lights matching new
2700K lights on State Street from Garfield to Roosevelt.

New poles installed in a style that is similar to lighting north of Garfield but LED, 2,700k bulbs that are dark sky compliant with State Street project.

Standard tall pole. Non-decorative lighting. Will match poles installed throughout City.
